The diagram shows a table with two columns: 'Reproduce order' and 'Play list'. The 'Reproduce order' column contains numbers 1 through 5. The 'Play list' column contains five entries: 'Play list A', 'Play list B', 'Play list C', 'Play list D', and 'Play list E'. To the left of the table, there are two arrows: an upward arrow labeled '51' and a downward arrow. A horizontal line connects the top of the upward arrow to the text 'Switch to previous list (Activated list)'. A horizontal line connects the bottom of the downward arrow to the text 'Switch to next list'.
